

December Chapter Chairperson Message

Greater Philadelphia Chapter # 031
www.phillyasis.com
 PO BOX 901 Southeastern, PA 19399

Left, Mike Schultz of Liberty USO discusses the organization's mission and thanks the chapter for their support.

Private Security Appreciation Night was held on November 14, 2012. I want to thank Bill Durso and Sam Vinicur, Co Chairs for PSAN, committee members and sponsors for their efforts to ensure a memorable night. It was a great event that allowed recognition of security officers for their acts of valor and outstanding performance.

Thank you to everyone who made donations to the USO. The chapter was able to provide sundries, money and gift cards to the members of the Armed Forces and their families when they need it most. A special thanks to Bill Lutz of Security Online Systems Inc. for donating his winnings from the 50/50 to the USO.

The holiday celebration will be my last event/meeting as Chapter Chairperson. Please join me in welcoming the new chapter leadership that night. I thank all of you and our sponsors for your support throughout the year. From monthly meetings, special events, and the 58th Annual Seminar and Exhibits, it was truly an exciting and fun filled year! I appreciate everyone's hard work and dedication in continuing to improve the security industry. I also want to thank and recognize the large number of volunteers who donated their time to serve on various committees to ensure our chapter delivered excellent programs and events. The ASIS GPC Holiday party is a excellent way to kick off the season. I hope you can join me as we look back on a memorable 2012!
