November Chapter Chairperson Message

Greater Philadelphia Chapter # 031

www.phillyasis.com

PO BOX 901 Southeastern, PA 19399

Donna De Carolis, Ph.D. accepts a token of our appreciation from Mark Wolfheimer, Chapter Chairperson for her outstanding presentation on Strategic thinking.

Donna Marie De Carolis, Ph.D. The Associate Dean for Strategic Initiatives, LeBow College of Business, Drexel University guided 32 members through a creative presentation which outlined how to use strategic thinking to be a successful leader. Donna was on point in her research results, showing or not showing security as a recognized contributor of the business value chain. It became clear to everyone in the room that Security is still considered an expense and that we have some work ahead of us to make the change in our businesses. After the meeting, I met with several of the members and received who had much to say about the topic. Thank you Donna for your contribution to our profession. I have posted the presentation on the forum pages. We will be listening for you on KYW 1060 on Sundays!

Private Security Appreciation Night is here and we have received several great nominations. Thank you to everyone for submitting your nominations to recognize the security officers who work so hard every day to protect our customers! I hope that you will show these officers exactly how important they are to the success of our profession. If you would like to make a contribution to this wonderful evening where we recognize our own professionals, please see the attached form for more information. The dinner location is The Philadelphia Cricket Club, St. Martins Clubhouse

There will be a 50/50 drawing held on this evening. The ASIS GPC will donate it's portion of the 50/50 to the USO.

The USO of Pennsylvania and Southern New Jersey, Liberty USO, is about providing comfort, care and

support to the troops and their families. We are collecting donations again this year which will enable the Liberty USO to take care of the brave men and women of the United States Armed Forces who daily risk their lives to ensure the freedoms we enjoy are safeguarded.

I hope you will make the decision to show unwavering appreciation for the heroism, sacrifices and commitment of the women and men who serve in our nation's Armed Forces by donating, volunteering or assisting in whatever way you can. A list of donations will be provided with this message on Page 2. Please bring your donations to the Private Security Appreciation Night. If you are not able to deliver the goods on that evening, contact Mark Wolfheimer to make arrangements to pass them on to us for that evening.

ASIS Seminar and Expo 2012

Dan Kropp and Bill Lutz are in need of approximately ten Chapter members who are interested and able to make the full-year commitment to helping the Society put on another highly successful Event in Philadelphia. There will be opportunities for many more volunteers as we get closer to the Seminar dates. If you're looking for a hands-on opportunity to hone your Leadership skills and contribute in a significant way to the Chapter and the Seminar & Exhibits, please contact Dan dan.kropp@towerswatson.com or Bill wel@solsinc.com by October 21st.

Holiday Party -

If you have not been to the chapter holiday party in a few years, you don't know what you have been missing. It is a great event, held at the Flourtown facility of The Philadelphia Cricket Club. The event will be held on December 14, which is just around the corner. This is my last event/meeting as Chapter Chairperson, so please join me in kicking out the old and welcoming in the new leadership team! The food has been fantastic and the raffles activity has been a blast. Sorry Roger Powers, maybe this year is your lucky year. Please join my wife Terri and I as we celebrate the holidays and the fantastic memories that we have created in 2011 with the ASIS Philly Chapter!

We have volunteer opportunities; if you are looking to get involved, please come to our October Executive Board Meeting.
