

September Chapter Chairperson Message

Greater Philadelphia Chapter # 031
www.phillyasis.com
 PO BOX 901 Southeastern, PA 19399

Alex Puig, Region Security Director, International SOS and Control Risks and Mark Wolfheimer, Chapter Chairperson exchange greetings after a fantastic presentation in our new meeting location, The Philadelphia Cricket Club.

On August 17, 26 members attended the our kick off meeting at the Philadelphia Cricket Club. Our guest speaker, Alex Puig, Region Security Director-International SOS and Control Risks schooled us on the importance of "Duty of Care". Alex gave great insight reflecting back on experiences in security with a large retail company. It was eye opening for many of the members to better understand the liabilities that their companies are taking when employees travel; and incrementally so, when they travel abroad. Alex entertained several questions and after a one hour meeting, we were quickly ushered out by a fire alarm. Funny!

Speaking of the Philadelphia Cricket Club, it was a fantastic evening for our first meeting at this venue. The food was delightful, the wait staff was professional and the food and spirit prices were reasonable. We are looking forward to getting back to the Philadelphia Cricket Club in October on the 19. Thank you to Josh Carver for leading the selection

Our next meeting will be held at The SugarHouse Casino in Philadelphia. It will be a breakfast meeting starting at 8 AM and ending around 10 AM. Our host, Tony DiLaqua, Director of Security will present an overview of the security program at the casino and will follow the presentation with a tour. For sure, you do not want to miss this event. www.sugarhouse.com

ASIS Greater Philadelphia Area Chapter will be the host for the annual ASIS Seminar and Exhibits in September 2012. This is a great honor, to be selected as the host location. The leadership is very excited and we know that this will be the best Seminar and Exhibits ever. We will need your help to make it happen. If you are interested in getting in on the ground floor and volunteer to support this event, please contact Chapter Secretary Bill Lutz, WEL@solsinc.com from Security Online Systems. More to come on this exciting topic.
