This is my first month as Chairman of the Philadelphia Chapter which is my excuse for getting this information out so late. I am proud to be elected to serve the Philadelphia Chapter. I think that this is a great organization that gives a lot back to its members and to the area. It has always been a very professional association and I hope to continue that legacy.

I want to thank Justin Kleskie of AlliedBarton, our outgoing Chairman, who has served the chapter for a number of years and has done a great job. I also want to thank Josh Carver of Shire and Kurt Bittner of Panasonic for continuing to serve for another year. We now also have Gene Cummings of AlliedBarton to help us out.

We want to try to figure out how to get more of our local members involved. So we need everyone's input. If anyone has any comments or ideas on what our membership wants or what you want please email me at chairperson@phillyasis.com

At our January meeting we want to have roundtable discussion on what we can do to increase our attendance:

The meeting will be held on Wednesday January 16th at the Philadelphia Cricket Club's St. Martins facility.

2012 Annual Holiday Party

The annual Holiday Party was held at the Philadelphia Cricket Club's Flourtown facility which was nicely decorated for the occasion. The food was good and the drinks were flowing. A Google Nexus 10 tablet was given away as a door prize.

We also raffled off a Google Nexus 7 tablet, numerous gift baskets, some sporting event tickets and lots of bottles. Almost everyone went home with something and a few people went home with more than one gift. We want to thank Brent Franklin of Unlimited Technology, Herb Loetier of The Philadelphia Art Museum and the folks at Allied Barton for their generous donations.
