Chapter Chairperson Message

October Meetings Recap:

Comcast Tour - Many thanks to chapter members Jim Birch, Mark Farrell, and Kelly Argoe for hosting the fortunate members that were able to attend the Comcast Building tour. The chapter received overwhelming interest in the event. I have recommended that the chapter board consider a similar event in the future... maybe when the second tower is completed.

Jim, Mark, and Kelly provided a great overview of the security programs and how they have been able to create synergy between the property security and Comcast security teams.

And what a sight from the top of the building!!

WIS & YP Social - The Women in Security and Young Professional working groups hosted a combined happy hour at the Valley Forge Casino on Oct. 27th. I was encouraged to see the good turnout... but would always like to see more. The vibe was great and we are looking forward for this first get-together to gain momentum into great things ahead.

Upcoming Events:

PSAN - This event is special to all levels of our industry and we are looking for support from corporate sponsors to make this year's event a huge success.

Also there are only a few days left to submit nomination forms. So if you

Joshua A. Carver, Chapter Chair

know someone deserving and have yet to do so, please send the committee the information.

Holiday Social - This event will be my last as Chapter Chair. I am looking forward to what has always been a nice evening.

Good times in Atlanta

In Atlanta, at the 60th Annual Seminar and Exhibits, the Philadelphia Chapter got together on Sunday afternoon at a local pub to watch our Philadelphia Eagles. The Chapter invited the San Francisco Chapter as the Eagles were playing the 49ers for some friendly competition and networking.

The event was a great success. We had many ASIS members from Philly and San Fran attend to cheer on their teams. We also met up with members from the Atlanta and Minnesota Chapters as their teams were playing at the same time. Years back we held a similar event in Orlando with the Atlanta Chapter when the Eagles played the Falcons on Monday Night Football. Some of the Atlanta members from that event came out to join us when they heard we were doing the same thing with San Fran. It was a good opportunity to meet industry colleagues from across the country.

In addition to good food, drinks, and football (although the Eagles lost)... the members in attendance raised money for the Military Liaison Council and the ASIS Foundation through football squares. Not all squares were sold, so any blank square would be a win for charity.

It was heartwarming to hear as some members had to leave before the end of the game to say if their square was drawn; donate it all to charity. So, it was only fitting that a blank square was drawn. Collectively we were able to donate \$350 to the 2014 MLC Certification Scholarship Program.

The Chapter would like to thank and recognize Panasonic for their generous sponsorship. Their sponsorship enabled the chapter to organize this event at no cost to the members that were in town and able to attend.

THANK YOU!!
