### “Rocking the Reg “

Strength. Endurance. Perseverance. Determination. Drive.

Rocky Balboa had it all....and we know ASIS chapters do too! But which chapter will make the trek all the way to the top?

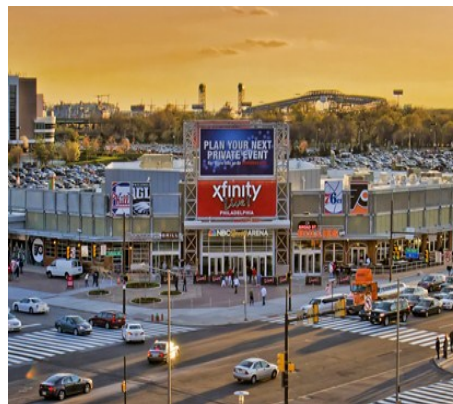

The chapter that finishes with the **highest percentage of verified attendance** from their chapter wins (based on total number of members in the chapter).

**Prizes:** Each attendee from the winning chapter will receive a free ASIS webinar registration of their choice. Plus, all members of the winning chapter will be entered into a drawing for several prizes. **First prize:** One free full registration to ASIS 2013. **Second prize:** iPad (latest version available). **Third prize:** \$50 gift card.

**Recognition:** Your chapter will be recognized on the ASIS website and in the Seminar wrap-up issue of *Dynamics* as the “Chapter that Rocked in 2012!”
