On behalf of the Greater Philadelphia Chapter of ASIS International, I want to thank all of the volunteers that assisted with the annual seminar and exhibits this year. I appreciate all of your hard work to ensure the event was a success.

Also I want to give special thanks and recognition to Dan Kropp, CPP, Chair of the National Seminar Committee and Bill Lutz, Vice Chair of the National Seminar Committee for their leadership throughout the year in preparation for the event.

The presentation will include:

- Typical pre-screening tools used by HR.
- Prescreening tools needed to reduce threats of inventory shrinkage and corporate security.
- Prescreening tools to reduce workplace violence.
- How to get HR to change their screening process.
