August Meeting Recap:

Many new members were able to attend this month's meeting. It was a great opportunity to network while enjoying some great BBQ.

The meeting also provided an opportunity to hear about upcoming chapter events and opportunities to get involved as a volunteer. Go to our website under Leadership; Executive Committee Chairs - to find our open positions. Please contact me if you are interested in leading a committee... or contact a Committee Chair if you are interested in helping a particular committee.

Upcoming Events:

There are many things going on in the coming weeks and months. Please be on

the look out for notifications through the newsletter or specific emails about events and activates. For example:

Atlanta Event - The chapter is in discussions with the San Francisco chapter about co-hosting an event as our two teams play on Sunday (9/28) afternoon.

Charity Run - The Young Professionals group has worked with the Travis Manion Foundation to create an ASIS Philly team.

CPP Study Group - The Chapter is hosting a study group (free to members in good standing) for the CPP Certification. This program runs right up to the Review Program at the Annual Seminars.

Networking Socials - There are three chapter network socials coming up. One for all ASIS Members and one for each of

Joshua A. Carver, Chapter Chair

the ASIS Working Groups (Young Professionals and Women in Security).

There is no upfront cost for the ASIS Members Networking event on September 17th. The food cost will be covered by the Chapter; however, it will be a cash bar. If you are a "Members in Good Standing" you will receive two free drink tickets for this event.

Get started now! Reach out and share the ways in which your career has benefited from engagement in the ASIS community. Your personal story will demonstrate the value of membership and encourage others to join.

Need help to prep for the CPP test? There are three opportunities coming up.

1 Greater Philadelphia Chapter #031 of ASIS INTERNATIONAL will be hosting an in-person or an online CPP Study Group & Review.

- Monday 9/15 (6pm - 8pm)
- Monday 9/22 (6pm - 8pm)

The first meeting will start August 25th at which time we will determine as a group the best approach for holding the program. If it is determined that in-person sessions are preferred we will determine the most convenient location (Conshohocken or inner-city).

Location: TBD during the first meeting. The first meeting will be conducted through Lync meetings

Cost: Free (for members in good standing... so make sure your chapter dues are paid)

This program is designed to end prior to the National program at the Annual Seminars in Atlanta.

The Study Group will last eight (8) weeks beginning on September 15, 2014, and the last class will be on November 10th. There will be a break on September 29th due to the ASIS Conference in Atlanta.

The Study Group will be hosted online Mondays 6PM - 8PM (6 weeks studying the domains and 2 weeks for review).

Prior to the start of the program we will host an open call (TBD) to divide participants into study teams. These teams will be assigned different domains to review. Each team will elect a team leader and be assigned a CPP mentor.
