Past Chairpersons Event

Our annual Past Chairperson's recognition meeting will be held on February 23rd. Please come and join us in honoring these volunteers who have helped ASIS become what it is today. This is a great chance to meet some of our members who have been active for over 20 years.

In addition we are fortunate and privileged to have our very own member, Stacy Irving as our presenter/speaker. I'm sure that most of you know Stacy and will be anxious to hear her newest presentation. She will be speaking to us about her renowned Crime Prevention Initiatives. Stacy will also be discussing public private partnerships and public sector law enforcement's transitions to the private sector.

About our monthly speaker:

[Stacy A. Irving](#), the Senior Director of Crime Prevention Services for the Center City District, will be presenting information on Crime Prevention initiatives and police partnerships. She is also the Founder and Chairperson of the Philadelphia Crime Prevention Council. Stacy is a member of the ASIS International Law Enforcement Liaison Council and the IACP's Private Sector Liaison Committee which facilitates cooperation and partnership between the public law enforcement and private security professions.

This is a great opportunity for law enforcement to learn how to transition to the private sector, make sure to spread the word to your law enforcement contacts.

The meeting will be held at the Philadelphia Cricket Club's St. Martins facilities in Chestnut Hill, Philadelphia. Directions can be seen at: www.philacricket.com/default.aspx?p=dynamicmodule&pageid=301902&ssid=186973&vnf=1

Last Month's Meeting Details

At our January meeting we discussed how to increase attendance and to provide a better return on investment to our members. Here are a few of the ideas that are under consideration: A few breakfast and lunch meetings each year, partner with other local ASIS Chapters, partner with other associations like InfraGard, get better known speakers, provide more recertification opportunities, have meetings at more than one location, have a lower fee for students and prospective members, encourage business casual attire, have a happy hour event in Center City.

We hope to implement many of these suggestions in the next few months. If you have any other ideas or comments please send them to chairperson@phillyasis.com
